I understand that:

- I need to use the iPad responsibly and safely at all times.
- I am not allowed to take or share photos that I wouldn't be comfortable sharing with Grandma or my school principal.

- I will respect my parents' decisions about what I'm allowed to listen to, watch, download and create and when I can access these apps.
- If I change any passwords my parent(s) need to know. I will not share this information with anyone else, apart from my parent(s).
- I will not share my private information with anyone else- such as my name, phone number, address, without my parents' permission.
- My iPad needs to be turned off at least 90 minutes before bedtime.
- My iPad needs to stay out of my bedroom at night and be placed on the landing zone for charging.
- If a stranger contacts me on my iPad I need to let my parent(s) or teacher know immediately.
- If I see someone being unkind to another person online or to me, I'll tell them to stop and then tell my parent(s) or teacher.
- I will use the iPad communicate kindly. I will not harass, embarrass or bully other people.
- I will not share work or images that are not my own.
- If I see something inappropriate, or if someone asks me something inappropriate I won't respond. I understand that I will not get in trouble when I tell my parent(s).

# iPad Agreement

for - \_\_\_\_\_

I will only use the iPad in the places that we've agreed upon. I will not take it out in public, or to a friend's house and I will not use it while other people are talking to me.

I will follow the 20-20-20-20 rule (i.e. I'll take a break at least every 20 minutes and do something physical for at least 20 seconds and look at something 20 feet (6m) away.)

I will turn the iPad off when I'm asked and understand that failure to do so will result in me not being able to access the iPad in the future.

I will continue to enjoy participating in other activities off the iPad and with real people in my life.
